Senator Simmons Asks For A Tariff Vote On August 19

It Had Been Rumored the Senator Had Been Seeking a Filibuster, So He Determined to Establish An Alibi—Opposition to J. L. Dixon For the Oriental Postoffice.

Daily News Bureau and Telegraph Office, 623 Albee Building (By Leased Wire)

Washington, Aug. 2.—The view prevailed rather widely about the capitol today that Senator Simmons had slipped up on the blind side of the gentlemen on the Republican side of the chamber, with a request for unanimous consent to vote on the tariff bill on August 19. The accusation has been made that Mr. Simmons as leader of his party in the parliamentary struggle over the tariff, had been encouraging a filibuster, so the North Carolina senator was determined to establish an alibi.

Close observers saw how the countenances of the Republicans in the chamber took on a worried look, and that gentlemen were ill at ease, but it was not until much later that the discovery was made that a group of senate leaders had taken dinner with Senator Lodge last night, and had planned to move for a vote on the pending measure on September 1. While speaking in behalf of his motion Senator Simmons was unaware of this. So by his action today the senator disclosed the Democratic willingness for early action on the tariff, and at the same time forestalled the move which the Republicans had agreed upon while breaking bread with Mr. Lodge.

Tomorrow Mr. Simmons will again urge action upon his request, and it is possible that, after the adoption of one or two amendments by Senator McCumber, the date for a vote will be agreed upon.

The move today by the North Carolina senator introduces a new situation as affecting pending legislation. The President, if the tariff bill is to be sent to conference, may speak out again in behalf of ship subsidy legislation, while many thought it would mean prompt and favorable action on the bonus bill.

Many still hold to the view that the Republicans will permit the tariff bill to die in conference.

Senator Simmons has received a telegram from Chas. L. Abernethy, Democratic candidate for Congress in the third district, filing charges of irregularities against the nomination of J. L. Dixon to be postmaster at Oriental. Senator Simmons has filed the charges with the committee, and has asked them to hold up the nomination until an investigation can be made.

Mr. Abernethy's telegram to Senator Simmons is as follows:

"Understand that J. L. Dixon has been appointed postmaster at Oriental. Citizens of Oriental request you to hold up and oppose the confirmation of Dixon as postmaster on the grounds that when civil service examination was held the eligibles named by the postoffice department were G. L. Griffin, Miss M. L. Rich, and C. T. Langley, and that J. L. Dixon was afterwards put on the eligible list without any notice to the three who were certified and on the further ground that citizens say that Dixon will not make a desirable postmaster. Kindly answer."

The charge is made that the eligible list in this case has been manipulated in violation of the President's executive order, and of the civil service rules.

Secretary Christian advised the North Carolina senators today the President would be unable to attend the Made-in-Carolinas exposition at Charlotte. Mr. Christian said the President could not undertake additional out-of-town engagements for the present.

Senator Overman has received an invitation to attend the sessions of the Interparliamentary union to be held in a short time in Vienna. All expenses would be paid, the invitation stated. How to restore and maintain peace in the world, is the thing that will be mainly considered.

There will be trips to Bucharest and into Jugoslavia. But Mr. Overman will have to stay here and vote on the tariff, and such uninspiring and commonplace things.

Clarence C. Rowe has been commissioned as postmaster at Spray and James L. Scott as postmaster at Grantsboro.

S. Clay Williams, of Winston-Salem, and A. W. Van Kessler, of Asheville, registered today at a local hotel.

(Modes of Today.)

It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about two minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, be careful to use real delatone. Mix fresh as wanted.

Common Sense About Eczema and Eruptions!

Here's Something About S. S. S. That You'll Be Glad to Hear.

You might just as well know it right now,—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. There is no getting away from it. Science has proved it. We prove it. You can prove it.

When the cause of skin troubles and eruptions is in the blood, it isn't common sense to simply treat the skin. A bottle of S. S. S. will prove to you what is happening in your blood. S.S.S. is a scientific blood cleanser,—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your lips turn naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a prosperous, ruddy, well-fed, refined gentleman, or if you are a woman, your complexion becomes the real kind that the whole world so admires. S.S.S. is also a powerful body-builder, because it builds new and more blood-cells. That's why it fills out sunken cheeks, bony necks, thin limbs, helps regain lost flesh. It costs little to have this happen to you. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

Let S. S. S. Give You An Angelic Skin!
